## Minutes for Meeting July 17, 2006

There was no secretary to take minutes at this meeting. Pam took the role of president and also presented the program. These are her best recollections of the proceedings:

The treasury stands at a balance of \$3,322.55, after paying the deposit for the November Celia Quinn workshop.

Upcoming programs:

August: **WARPING YOUR LOOM**

Bob will bring his sectional warping system to demonstrate warping a small loom. There will be an opportunity to view Deborah Chandler's video on warping back to front, front to back, with a plain beam. All members who weave are asked to bring one carefully considered suggestion for warping. It should be a technique that you use that simplifies warping for yourself and/or that improves the quality of your warp preparation.

September: **WORKING WITH BASTE FIBERS**

Nettie will discuss many aspects of working with linen, cotton, and hemp. She both spins and weaves with these fibers, and has extensive knowledge of their historical use.

October: **STRIPES TO PLAIDS** (note: this is a 10-5 workshop)

Liz Ackerman of Christiansburg will present a hands-on workshop on designing stripes for weaving and making them into plaids. No looms necessary.

November: **HISTORY OF DROP SPINDLE USE**

Celia Quinn will share Berta Frey's extensive slide collection. It is the result of her lifelong research of drop spindle use for making yarn.

December: **POTLUCK AND GIFT EXCHANGE**

Plan to bring a holiday dish to share for brunch. To participate in the gift exchange, make and bring a gift-wrapped bag. Any textile technique, any size, any style - be creative and have fun with it.

**LIBRARY:** A discussion ensued regarding the guild's magazine collection. Because no one uses the magazine library several alternate suggestions have been made regarding its disposition: 1) sell off magazines at a guild meeting; 2) sell magazines on ebay; 3) donate magazines to the local library (it was pointed out that magazines in the library are not available to be checked out); 3) a member who is willing to carry the magazines to guild meetings for check out by members will take the collection home and store it (historically, this has resulted in a lot of carrying back and forth and not much use by members). Please give this issue your due consideration. A decision will be made in August.

**BASH** will be held at Ingrid's in August, Charlotte's in October, and Birdie's in November.

BEARS are now in the custody of Deborah Chandler in Guatemala. We hope that they will be in the hands of the children soon. We still have about 60 bears needing to go to good homes. Also, 30 of them still need to be dressed. If you know of a charitable organization that could use our contribution, please contact Pam and I'll bring them to the next meeting for you.

#### CELIA QUINN's COLOR BLENDING FOR SPINNERS

The workshop will be held at Sanden in Mathews on November 14 - 15 (Tuesday, Wednesday), from 9 - 4 each day. To reserve your space send a check for \$50 to Ingrid. The balance of \$50 will be due by September 15. There will be no refunds after September 15. At that time if there are less than 10 registered, the workshop will be opened up to the public for \$125. Fliers for the workshop will be available at the August meeting. Housing in Mathews is available at several nice Bed and Breakfasts and guest homes (see [www.visitmathews.com](http://www.visitmathews.com)).

The program was a challenge for members as well as the presenter! Even though I had made these at home a few times, I found it difficult to help those who were in the middle of their project. Of course, I came home and wove my basket perfectly in about an hour. Doing it and helping others do it are two very different tasks. Thanks to everyone who had the patience to stick with it. I hope you have basket that pleases you and that will serve you well.

Respectfully submitted,  
pam franck
