Program – Next month will be on problems with either weaving or spinning and will be a group discussion.

Judy will be doing a spinning workshop for 70 non-spinners in Sept. Any guild members who have projects from different fibers may give them to Judy to use in her demo. Judy offered to do the Sept program for our guild on different fibers that can be spun.

Old Business:

Fiber Hearts application has gone in and received by Interwoven. We will be notified if win.

Digital Projector – would be useful for guild. Some models available for around \$500.00  
Some discussion followed. Pam made a motion that Bob and Judy buy the most economical and practical one for our guild after some research. Motion seconded by Jerry. Motion passed.

New Business:

Pam brought new product from Nescafe testing group. It is from Talk Marketing Group which we are participating in.

Pam also brought copies of the magazine "Weaver's Craft." She asked members to pick out issues that would make interesting future programs. Rosalie made a motion that the guild buy a subscription to "Weaver's Craft" including all the back issues. Jerry seconded and the motion passed. It was thought that the active program chairman should keep the issues and projector in their possession. Discussion followed. It was decided that it should be listed as library acquisition but checked out by program chair.
